Dear Strategic Planning Policy Team,

EMERGING LOCAL PLAN PUBLIC CONSULTATION – OBJECTION TO ALLOCATION
LP_Gitti_05 & LP_Gitti_06

We are writing to register our objection to any residential development in allocation references LP_Gitti_05 & LP_Gitti_06 as identified in the Emerging Local Plan consultation. The reasons for these objections are as follows:

- The detrimental impact development will have on the setting of Gittisham Village and its conservation area
- Development will have a detrimental visual impact to the AONB and on the setting of the AONB
- It is not appropriate to increase further residentially generated traffic and pedestrian movements through an industrial estate
- Additional traffic accessing Hayne Lane or the existing Hayne Farm development will be detrimental to vehicular and pedestrian safety
- Further pressure on already overstretched health, social and education services
- Highways, sewers and sewage treatment infrastructure already at capacity
- Distance from town centre, schools, health centre/hospital, train station and commercial centre will result in car travel resulting in an unsustainable development
- It is totally inappropriate and irresponsible to be showing a settlement boundary at this point in time

Yours faithfully,

(Lisa Marie Rushton, Mrs.)

(Paul Rushton, Mr.)
