Dear sir/madam,

I object strongly to the inclusion of the sites to the North East of Exmouth (Exmo\_04a, Lymp\_09, Lymp\_10, Lymp\_14) in the Local Plan which are not sustainable. Instead plans to build a new community in the area north of Hill Barton should be accelerated and to find more town centre sites in Exmouth

The current infrastructure of Exmouth is groaning and breaking under the weight of an increased population, and the tourist population that we so desperately require.

Focus your investments on the dying high street!

Yours sincerley,

Grace Lee-Smith
